

American Popular Magazines: A Bibliography (Classic Reprint)

Filesize: 1017.1 KB

Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Kian Harber)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from American Popular Magazines: A Bibliography This bibliography has been prepared at the suggestion of the School of Journalism of the University of Wisconsin. The point of view kept in mind has been to gather material for the use of one who would write a history of American popular magazines. The popular magazine has been understood as that weekly or monthly publication which is commonly read and which is known for its general scope and inclusiveness. No periodical of any special nature has been included, such as technical, educational, or religious. In the case of some which may seem to be devoted to one line of literature, as science in Popular Science Monthly, or arts and crafts in Craftsman, it will readily be recognized that those periodicals are making a decided effort to popularize their subjects and therefore deserve to be classed as popular magazines. Aside from this distinction, the inclusion has been determined largely by the available material. While some magazines have been extensively written about in their own or contemporary publications, others have almost no recorded history. Thus while the Independent, Outlook, and Atlantic are fully discussed in the articles entered under their respective titles. Review of Reviews and the American Magazine are mentioned only in inclusive articles. Some of the most interesting and valuable material will be found in articles written about a group of editors or of magazines which have not been analyzed for the individual headings because of the unavoidable length of the bibliography. Wherever possible the sketch of an editor has been put under the heading of the magazine with which he is associated. The most apparent thing about the...
