

A Single Reason Why: Vol. 4 in the Sub 4 Minute Extra Mile Series

By Ted Ciuba

Createspace, United States, 2011. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A Single Reason Why, by Ted Ciuba, also author of The New Think And Grow Rich, is about being successful in life. A Single Reason Why is a book about awakening to your inner powers, to the fact that, one way or the other, you are creating your life, and, finally, to taking charge and directing your energies into the specific outcomes you most desire. This book highlights the fact that a single reason why is enough to defeat a thousand excuses. Some people have a thousand reasons why they can't achieve, only to be passed by a person with a single reason why they can. All you need is a single reason why. Programming your subconscious mind is important, because whatever your subconscious mind believes reality to be is what you receive in your world. If you get serious and do this, having good things happen to you becomes as automatic as breathing. You do a sales job on yourself, that works so well you believe the new programming. You act in and with the new...
