By Brad Beals

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Poor Josiah. Poor, filthy, illiterate Josiah Mench. Not even Liam, the closest thing he has to a friend, can stand to be near him. But friendship of any kind becomes a matter of survival when pandemic tears the world to pieces. Now, the survivors--children here and there, untouched by the plague--must hang together or die. Catastropolis is a book of endings. When a single generation is lost, the structures of society fail--utterly, maybe forever. But there are beginnings too, visions of what life in a new future might hold for those willing to fight for it. It is here in this new, primitive age that Josiah finds his voice, and a new people find a prophet to lead them out of the wilderness. But it is also here that heaven and hell will contend for them first. Chapter 1 My neighbors see this work as a chartered undertaking, a sanctioned effort. They want to be a part of it, and rightly so, for this is their story. So at all opportunities they encourage me with helpful offerings.
