The Good Reaper

By Dennis J Butler

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.An alien race has traveled 9,000 light years to reach Earth. They brought with them, a cure for cancer and all infectious diseases as well as advancements in propulsion technology. But is the human race ready to welcome a superior race? Is the human race ready to move beyond the narrow-mindedness of a territorial mentality? Is the human race prepared to trust strangers from a far-away world? When Naos Oriel-Achernar volunteered to be part of the second phase of the study of the human race, he had no preconceived notion of breaking Ranjisan law. But that was before he got to know, admire and even love the human race. Naos was part of the medical discovery team that was tasked with observing human medical conditions and treatments. Phase I of the study of the human race consisted of strictly areal observation. Naos was a part of Phase II. In order to study humans more closely, Ranjisi observers posed as humans and blended into human society. Naos was assigned to work in a hospital in New...
