

The Russian Dreambook of Colour and Flight

By Gina Ochsner

Granta Books. Paperback. Book Condition: new. BRAND NEW, The Russian Dreambook of Colour and Flight, Gina Ochsner, In her very dusty provincial museum of fake exhibits lovingly crafted from cardboard, wire and glue, Tanya dreams of Russian art's long colors and wonders when Yuri will stop fishing long enough to notice how she adores him, while she tries the zero-one-zero diet in order to meet Aeroflot's maximum waist requirements for trainee cabin-crew. When her boss at the museum gives her the vast responsibility of cultivating some potential benefactors from America, and persuading them to give their money to the very needy All-Russian All-Cosmopolitan City Museum, Tanya finds herself involuntarily enlisting all her neighbors in the scheme. But their shared hopes of riches and dreams of escape start to rot. And the rounded corpse of Mircha in the courtyard refuses to decompose, as the snow turns it into a hill, and its spirit takes flight around the apartments, dispensing more advice than anyone desires, goading the men, annoying the women, in a block where too many mothers and fathers are missing and too many memories lie stagnant on old battlefields.

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Llewellyn Terry**

An exceptional pdf and the typeface employed was fascinating to see. Better then never, though i am quite late in start reading this one. Your daily life span will be transform as soon as you total looking at this publication.
