This research paper examines why and how this war happened and what the consequences were for Europe and especially for the foreign policy of Britain. It is driven by the thesis that the Crimean War was changing the policies of the European powers significantly to a new aggressive behaviour. Therefore it is divided into three chapters. The first chapter deals with the question why the Crimean War broke out and how Britain became involved. Chapter II discusses the main events in the war. It does not look only on Britain's policies, but also focuses on Austria-Hungary which played a key role in the war. The third and...
