Kim Stanley Robinson meets Edgar Rice Burroughs in this amazing story of the distant future of Mars. In the far future, Mars dies a second time. The Final War between man and the spirits is beginning. In the far future, Mars dies a second time. The Final War between man and the spirits is beginning. In a last bid for peace, disgraced champion Yoechakanon Val Mora and his spirit lover Cybele are set free to find the long-missing Librarian of Mars, the only hope to save the remnants of mankind. In the near-future Dr Holland, a scientist running from a painful past, joins the Mars colonisation effort, cataloguing the remnants of Mars biosphere before it is swept away by the terraformation programme. When an artefact is discovered deep in the caverns of the red planet, the actions of Holland and his team lead to tragedy, with profound consequences that ripple throughout time, affecting Holland s present, the distant days of Yoechakanon, and the eras that bridge the aeons between.

Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. Its been written in a remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.
