Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Brand New Book ***** Print on Demand *****.Excerpt from Science of Good Government: In Addresses, Letters and Articles on a Strictly National Currency, Tariff and Civil Service As this compilation of ideas from my intercourse and correspondence with statesmen, divines, scholars, artists, inventors, merchants, manufacturers, mechanics and laborers, may contribute to a Science of Good Government based on a strictly national currency, tariff and civil service, see p. 212, I consider it my duty to transmit them to posterity in book form. In our young country these three topics are of the greatest importance, and must be regarded as the foundation for all governmental superstructures. When this nation, numbering now fifty millions, can realize that before these three topics all others must dwindle into insignificance, she will have attained the highest degree of political wisdom. I have had much personal experience in practical business and money affairs for the last seventy years: over thirty years ago I learned finance with our veteran financier, Albert Gallatin, who was Secretary of Treasury under Jefferson and Madison. He was President of The New York Board of Currency, of which I was Vice-President. About that time I corresponded with Secretary Robert J. Walker on the tariff.
